FOUNDER OF ANYWHERE STONE IMPORT EXPORT

At Anywhere Stone Import Export, we offer an expansive and meticulously curated selection of premium Granite, Marble, and Sandstone Slabs and Blocks, sourced directly from India's most renowned quarries. Our comprehensive product range caters to architects, designers, builders, and wholesalers globally, providing materials that combine timeless beauty with exceptional performance. Our diverse granite collection includes Absolute Black, Black Galaxy, Fish Black, Coin Black, Tan Brown, Rosy Pink, Ruby Red, Alaska Gold, Alaska White, Pearl White, Colonial White, Colombo Juprana, Viscon White (and Visconti White), Rajasthan Black, and Himalayan blue Granite, perfect for durable applications like kitchen countertops, high-traffic flooring, and exterior facades. For luxurious interiors, our Black Markino Granite offers unmatched sophistication for vanities and feature walls, while our sandstone selections provide earthy tones ideal for paving, landscaping, and rustic cladding. Beyond finished slabs, we also provide natural stone blocks of granite, marble, and sandstone directly from our extensive quarry network across India. This offers clients the flexibility to cut and process stone to their exact specifications for large-scale projects, custom architectural elements, monuments, large-scale cladding, or intricate carvings. Every product, whether slab or block, undergoes our stringent "Sourced with Precision" quality checks, ensuring superior integrity and aesthetic appeal. Our "Delivered with Trust" commitment guarantees seamless global logistics, providing a reliable foundation for your projects that inspires confidence and stands the test of time.
